MASTER SURGICAL

Master Surgical company the since 1980 decided to diversify into the Beauty instruments manufacturing industry, with an emphasis on the production of beauty instrumentation. Over the years Master Surgical was supplying and working with leading beauty organizations. Today Master Surgical is one of the best manufacturers and exporters of beauty Instruments, Scissors and beauty care & hair care instruments. Our commitment to customer service sets us apart from our competitors.

Quality is not just a word it's our promise and it's part of our name. We believe in building solid long-term working relationship and offer a 100% satisfaction guarantee to all our customers. We believe that our growth relies on innovation and integration and we hold firmly to these concepts.

Progressive plans to process our own stainless steel and the creation of our new R&D wing for beauty instruments are an example of our forward thinking philosophy. We thrive to continuously add and streamline our product range to offer customers greater variety and value.
